**Frosty the Snowman**

Frosty the Snowman
Was a jolly soul
With a corncob pipe and a button nose
And two eyes made out of coal

Frosty the Snowman
Is a soul they say
He was made of snow
But the soul know
How he came to life one day

There must have been some
In that old silk hat they found
For when they placed it on his head
He began to around

Frosty the Snowman
Was alive as he could be
And the soul say
He could and play
Just the same as you and

Frosty the Snowman
Knew the was hot that day

So he said let's run
And we'll have some fun

Now before I melt away

Down to the With a broomstick in his Running here and there All around the square

Saying catch if you can
He led them down the streets of town
Right to the traffic cop
And he only paused a moment when He 11. him holler stop

Had to hurry on his way
But he waved goodbye
Saying don't you I'll be back again some day
